## Preface…

*Research is futile in the event that it isn't conveyed, introduced, partook in fora, and distributed. Research fora and distribution could light others to direct explores for improvement and upgrade of our instructive norms. Research additionally can likewise assist with further developing our showing techniques and information in managing individual contrasts of the understudies. The composition of examination papers or article is an exceptionally straightforward cycle in current scholarly and modern situation. Yet, presently a-days this is managed without giving due care to the standards and morals acknowledged for composing research papers. Indeed, even a little slip-up ruins the standing of the concerned individual. The Asian Thinker permits various analysts to share their exploration discoveries, suggestions and proposals of their examination yields. The specialists are in various fields like social investigations, Media Studies, Social Sciences, Tribal Studies and Humanities and partnered fields in Social Sciences.*

*To satisfy this vision, it is our central goal to give a valuable open door to the specialists, educators, understudies, and others to share their exploration yield, work together, and investigate different examination try towards personal satisfaction and greatness in sociology; to add to the continuous endeavors for a-list academe; to distribute peer inspected papers; to prepare instructors and understudies in logical composition; and to upgrade instructor academic substance information in many fields for accomplishing greatness in training.*

*It involves pride that the obligation of publication of Asian Thinker Journal goes to Dr. B. R. Ambedkar University of Social Sciences, Mhow. This issue will be distributed by the college for a very long. Because of Honorable Vice Chancellor Madam for the consolation and direction. It is a delight that the Journal will keep on accepting your scholarly help.*
